Top left and right, "British" 64th Regiment of Foot arrive in raiding party and capture Fort Phoenix. Vertical left, the 4th Old Dartmouth Militia attack the "British" position on the Fort heights. Right column, Fort Phoenix Garrison marching in review. Stars and Stripes raised to replace the "British" banner. In dependent Light Dragoons of Tiverton, Rhode Island, marching to music.

British Raid!

A reenactment of the defense of Fairhaven from a British raid 159 years ago drew several hundred spectators to Fort Phoenix on Sunday. The host Fort Phoenix Garrison, 4th Old Dartmouth Militia, joined by the Independent Light Dragoons of Tiverton, the Colonial Minutemen and the Apponagansett Rifles refought the mock battle as they stormed and captured the fort hoisting the stars and stripes to replace the British emblem flying on the staff. The "British" 64th Regiment of Foot performed the defense of the fort.

The actual battle covered a lot of ground since the British landed on Sconticut Neck and marched to the Fort. The garrison at the Fort fired only one volley before spiking the guns and retreating. The determined efforts of Colonel Fearing of Wareham, who reassembled a body of militia and threatened to shoot any man who attempted to run from the fight, saved Fairhaven. The Fort was

named Fort Fearing after restoration in honor of this heroic effort. Fort Phoenix was renamed at a later period but a bronze plaque placed there by the Fairhaven Improvement Association testifies to Fearing's defense.

Shipwreck Artifacts

SPECIAL EXHIBIT AT HISTORICAL SOCIETY

A three-day exhibit of artifacts recovered from shipwrecks off Southeastern Massachusetts will be held next week at the Mattapoisett Historical Society Museum on Church Street.

The Fairhaven Whalers Skindiving Club is staging the exhibit and a slide program which will be held from 7 to 9 P.M. next Tuesday, Wednesday and Thursday and from 2:30 to 4:30 P.M. Wednesday afternoon.

Among the artifacts to be exhibited are three deadeyes (wooden blocks), recovered last month from the Mattapoisett-built whaling bark Wanderer. The Wanderer was the last square-rigged whaleship to sail from New Bedford. She was lost on the rocks at Cuttyhunk during a hurricane on August 26, 1924.

One of the deadeyes will be presented to the Museum for its permanent whaling collection. The item was recovered by Stephen Roy of Fairhaven, a member of the skindiv-

last year".

There will be no admission charge to the special program during which at least one club member will be available to show slides of salvage activity and to answer questions.

Available for purchase will be signed copies of "Ten Years at 10 Fathoms" by Bradford Luther, club founder, and printed material offered by the historical society, the pamphlet, "Ship Builders of Mattapoisett" and the book "Mattapoisett and Old Rochester".

Luther and Michael Bouvier said artifacts will be displayed from a number of other wrecks including the Vineyard Sound Lightship, lost in the 1944 hurricane; the steamship Port Hunter, which sank after a collision in 1918 in Nantucket Sound; the passenger-freighter Trojan, which sank after a collision in Buzzards Bay in 1906; and the Navy cruiser, Yankee, lost after she went aground on Hen and Chickens Reef in 1908.

Luther said the exhibit marks the first time such an extensive display of sal-

TRAVEL

If you arrive at the airline counter 30 minutes or so before you are asked to, you'll have a better chance of getting a window seat.

* * *

If you can't get a window, ask for seats as far forward as possible. It's quieter!.

* * *

Don't let your luggage be overweight. In tourist class, you are allowed 44 pounds on international flights, 70 pounds on domestic flights.

* * *

When flying with children, request seats near the bulkhead that divides the first class and tourist class sections. You pay no more but they will find more room to play in.

vaged items has been put together for public viewing in the New Bedford area.

So mark your calendars for any one of the two-hour time periods the exhibit will be open and look for an enjoyable time with an opportunity to question these men whose hobby is finding and investigating long lost wrecks along the New England coastline.

JUNIOR GRANGE TO MEET

Mattapoisett Junior Grange will hold its meeting Friday night, September 14th, at 7 P.M. in the Grange Hall. If you sing or play an instrument we want to hear you.

League of Women Voters

LWV COFFEES TO BE HELD

A series of coffees for women interested in joining the League of Women Voters, or who wish to know more about the League and its activities, will be held next week by members of the LWV of the Marion Area.

The Marion Area League includes the towns of Marion, Mattapoisett, Rochester, and Wareham, and each of the planned coffees will be open to women from all four communities. On Monday, September 17, at 10 A.M. Mrs. Larry Seidl will be hostess at her home at 14 Winnatuxett Beach Road in Mattapoisett. On Tuesday, September 18, at 10 A.M., a coffee will be held at the home of Mrs. Mary Louise Lunt at 72 Pleasant Street, Marion. At 10 A.M. on Wednesday, September 19, Mrs. Albert Bigelow will be hostess at a coffee in her home on Indian Neck Road, Wareham. Babysitting will be provided for 50¢ a child.

For further information, including details on how to reach any of the above addresses, please call Mrs. LaVerne Wallace, 748-0395; or Mrs. Ernest Cockrell, 748-1495.

Wildlands Trust

PLYMOUTH COUNTY WILDLANDS TRUST

The Plymouth County Wildlands Trust will hold an open meeting at the Wareham Town Hall, Marion Road, (Route 6) Wareham, on Tuesday, September 18, at 8 P.M. as guests of the Wareham Conservation Commission. Mrs. Barbara Pierce is making the arrangements. The public is warmly invited to attend and there will be no charge for admission.

The background and program of the Plymouth County Wildlands Trust will be described, and feature of the evening will be a narrative on the Wildflowers of Plymouth County by Bruce A. Sorrie, Staff Biologist at the Manomet Bird Observatory, illustrated with Mr. Sorrie's own excellent colored slides.

A non-profit, membership-supported trust organized in 1972, the Plymouth County Wildlands Trust was formed by concerned citizens from towns throughout Plymouth County who now seek to acquire rapidly disappearing undeveloped wild lands to permanently preserve them as natural resources, that are alarmingly diminishing as housing developments and shopping malls and industrial parks are constructed.

SCHOLARSHIPS AWARDED

The 1973 scholarships from the Mattapoisett Woman's Club were presented to two June graduates from Old Rochester Regional High School. Pictured here, left to right, are Erica Nelson and Lydia Guilherme, the scholarship recipients; Mrs. Philip Murray, president of the club; and Mrs. Charles Smith, chairman of community affairs.

Erica is attending Bristol Community College and Lydia is attending SMU.

Mattapoisett Yacht Club

SENIOR SERIES CONCLUDED

Series racing at the Mattapoisett Yacht Club came to a close Saturday, September 1, as the Seniors scheduled their last doubleheader. Dave Jenney scored for the Beetle Cats and Harvey Pentleton for the Planing Hulls.

A very light SW wind, which at times proved baffling, prevailed throughout the afternoon.

Crossing the line within seconds of each other, the top three contenders - Dave Jenney in Ariel, Jim Broadwater in Agamemnon, and Phil McCarthy in Wolf - sailed an action-packed first race.

In the next time around, Jenney won handily, with second place Phil besting Carol by only 10 seconds.

Kevin O'Leary trailed Harvey Pentleton much of the way in the two Planing Hull Handicap races.

LABOR DAY SPECIAL RACES AT MYC

September 2.

Although light winds again were the rule throughout the day, the divisions of smaller craft - Herreshoff 12's, Beetle Cats, Corinthians and Planing Hulls - managed to set sail. The larger Handicap boats, however, were forced to cancel their race for lack of sufficient wind.

The Herreshoff 12's, the first to answer the starting gun in the morning, saw Dave Jenney's Jan Cap taking the lead, followed by Anne Donald's Minnow and D. White's Truant.

Then came the popular Women's Race. Sue McGowan, skippering Hep Cat, bested the fleet of seven Beetle Cats; Carol McCarthy's Blue Cloud placed second and Laurie Jenney's Ariel third.

Three divisions competed in the afternoon.

For the second time that day, Dave Jenney was the victor, as he outdistanced both Ed Cornish's Barby Jo and Jim Broadwater's Agamemnon in the Beetle Cat Open Race.

A contest for Corinthians and one for Planing Hulls concluded the slate.

It was Mark Roberts' Oracle (Corinthians) by a margin of 10 minutes over Paul Cronan's Moonspinner, and Jack O'Leary's Quest not far behind. The elapsed time for the Planing Hulls read: 1) Harvey Pentleton, 1:17:19; 2) Jim Holt, 1:38:48; and 3) Kevin O'Leary, 1:42:59.

ANNUAL MEETING AT MYC

The annual meeting of the Mattapoisett Yacht Club was held at the clubhouse on Sunday afternoon, September 2, for the presentation of awards, the transaction of general club business, and the election of officers.

The high point, as usual, was the presentation of flags and awards for the season to

MESSAGE TO THE CITIZENS OF MATTAPOISETT

For many years, the voters of Mattapoisett have procrastinated on a school building program for grades K through 6.

This procrastination is rapidly coming to a collision course with reality.

For the school year 1974 to 1975, this collision will be avoided provided the rooms in the Center School basement are refurbished and made to comply with safety regulations.

For the school year 1975-1976, the collision course will be reached. Serious thinking must be made on this problem.

Public Whist Sunday

The Public Whist Party Day that all have been waiting for is close at hand. This is coming Sunday, September 16th, at 1:30 P.M. at the K of C Hall, Route 6, Fairhaven Road, Mattapoisett. This event is sponsored by and will benefit the Senior Citizens Club of Mattapoisett.

Chairman Mrs. Gloria Rounds announces that the K of C hall will open at 9:30 A.M. to prepare for the Whist and to accept donations for prizes and goodies for refreshments. Please contact President Mrs. Sophie Sterling, telephone 3834. Mrs. Gertrude Silveira, 2492, will be in charge of refreshments.

Contact any committee member to volunteer help to punch "tally or score cards", or assist in other ways, young or old. You do not have to qualify to be a "Senior of Society" for this. But it would be a "feather in your cap" to help them reap a "Good Harvest". That very "feather" may be "feathering" your own future nest.

The Mattapoisett club likes to do things with a "flair", so you're invited to attend and make this a "Grand Affair".

There will be door prizes, score prizes and many other prizes. Refreshments will be available.

Mrs. Gloria Rounds, Publicity

A Welcome

Editorial, D.C.J.

There is an excitement in the air. After hanging hot and heavy, ovenlike, oppressive, stupifying for two weeks, a crisp current from the north has flowed over New England. Even those who are happy in the summer sun must be exhilarated by the change. Not only does it revitalize the body, it is a treat for all senses. Distant landfalls loom tremendous on the horizon to the naked eye as the clear air magnifies like a fine lens. Sunsets are magnificent in color and clarity tinting the harbor water in glorious pastels that change from minute to minute. The moon shines brighter. The morning air, sharp and frigid, snaps the mind into eager awareness.

It is September. The most precious moments of life in New England are strung on this 30-day span.

MID CAPE REPRESENTATIVES CONFER

Mr. Joshua A. Nickerson, Jr., Mr. John M. Whittaker and their attorney, Mr. Huntoon conferred with the Mattapoisett Board of Selectmen about the company's plans to locate in Mattapoisett. A petition for a special zoning permit has been presented to the Board of Appeals and a hearing will be held on Thursday, September 20th, at 7:45 in the Town Hall. This petition is in the name of Sippican-Burnham Nursery where the Mid Cape plans to locate. If approval is forthcoming, the concern hopes to complete construction by spring of 1974.

MOSQUITO CONTROL MEETING

The Mosquito Control Committee met with the Board of Selectmen and discussed the whole program undertaken this year in Mattapoisett. The local committee has found that the Pyrocide insecticide spray that has been used has been very well accepted as well as effective. It is more expensive than the Malathion spray but less hazardous to the environment the com-

DEAD FISH IN EEL POND

Seven bushels of perch were found floating dead in the Eel Pond and removed by the Board of Health and the Highway Department. Samples were sent to the State labs for analysis.

MARK ROBERTSON PRAISED

The Board of Selectmen sent a letter to Mark Robertson, Youth Corps worker, to commend him on his summer employment by the town. The Board said that his good work contributed to many improvements in town property at a saving to the taxpayer. They thanked Mark and expressed their recommendation of him as a good conscientious worker who easily adapts to various tasks.

ATTORNEY GENERAL APPROVES BY-LAWS

Robert Quinn, Attorney General, has sent official notification to Town Clerk Lois Ennis that by-laws voted in the annual Town Meeting have been approved with two exceptions. The first exception is: A, "paragraph J of Section 3 of the by-law adopted under Article 81, which is DISAPPROVED and deleted therefrom for the reason that the town has no authority to regulate traffic of earth carrying trucks differently from other traffic. See Stow vs. Marinell 352 Mass., 738." The other is: "under Article 93 of the warrant with the DISAPPROVAL of the Attorney General endorsed thereon. This amendment is disapproved for the reason that the town has no power to enlarge or diminish the authority and duty of the Board of Health to enforce the State Sanitary Code established under Chapter 111, Section 127A and to make reasonable health regulations under General Laws, Chapter 111, Section 31."

FIRE HAZARDS

1. Clear out trash, newspapers, magazines and other things which have piled up in cellars, attics and garages during the past months. These become a real fire hazard.

2. Fumes from painting can build up and become explosive. Open the windows in rooms being painted, and keep paint rags in tightly closed metal containers. When the job is finished, fasten the lids on paint cans tightly, clean the brushes and store everything in a cool place.

3. Cleanup time also means using cloths for polishes and waxes. But oily rags can be a fire hazard. When cleanup time is done, be sure all oily rags are thrown out.

Mattapoisett Grange

A most successful Yard Sale was held last Saturday by the Subordinate and Junior Granges of Mattapoisett. The two chairmen would like to thank all who helped in any way, the members of the Grange, the members and parents of the Junior Grange. It was a good combination of fun and work. To the many we say thank you and we certainly do not forget the Presto Press who has given so much space to all the Grange activities.

RACING SEASON ENDS AT ANGELICA

The Labor Day weekend series of racing brought the summer season to a close at Angelica Yacht Club. The last opportunity to participate brought the largest number of entrants in each contest. Winners in the various divisions were: Juniors, Jane Crowley in Nuisance; Open, Harvey Pentleton in Swamp Fox; Merwin Trophy, Charles Clark in Giff Wiff; Senile Sea Pups, Charles Clark in Giff Wiff. In the August Series which ended August 26, 1973 the honors went to:

Building Committee Message

TO ALL RESIDENTS OF MATTAPOISETT:

The Mattapoisett School Committee has said that if they are going to be able to go forward with the type of education which every child deserves, some additional space will be required by the start of school year '75-'76, and has requested that action be taken by the School Building Committee. Having this in mind, the building committee has given considerable thought and research effort to the problem. From this effort, the following facts have been learned.

--Previous building committees have stated that classroom space would run out at Old Hammondtown School by September of 1972. They were absolutely correct. To solve the problem it was necessary for the School Committee and the staff at Old Hammondtown to make space by spilling over into special purpose rooms. The art room is now a classroom. The science room is now a classroom. The library was moved to smaller quarters and it is now a classroom. There is no room available for special education purposes. There is no space left for any additional spill-over.

--To make room for everyone this year (73-74) it has been necessary to move the entire fourth grade (which utilizes 4 rooms) to the Center School and move the Kindergarten (which requires 2 rooms) to Old Hammondtown, creating an undesirable situation for both of these grades.

--Based on current population figures and trends, this arrangement will be adequate only until September of '75.

--The population growth in town is an in-migration problem and not a birthrate problem.

--The structure of the town is changing and its size is increasing steadily. There are between 1,000 and 1,200 building lots in town approved by the Planning Board prior to the changes in the zoning laws. These figures do not include an additional esti-

mated 1,000 "Grandfather" lots.

The pressure put on Mattapoisett by the completion of the Interstate 195 is difficult to predict. However, the fact that we are going to be one hour from downtown Boston and one hour from downtown Providence has to have an effect on the growth of a community as desirable as this.

With all of this in mind, the current building committee is asking the town for $2,500. to hire an architect to do preliminary plans and cost estimates for an addition to the Old Hammondtown School. We urge all registered voters to attend the Special Town Meeting on September 13 to support this article on behalf of the elementary school children in our town.

Mattapoisett School Building Committee
September 6, 1973

Studds Answers Queries

The following is continued from last week on the questions and answers from Representative Gerry E. Studds. The questions were put to him by Mattapoisett Selectmen and others in attendance when Congressman Studds visited the town.

"Question: Emergency medical programs?

"Answer: A copy of S. 504, the new Emergency Medical Services Act should already have been sent to you. The Senate overrode President Nixon's veto of this bill on August 2, and the House will vote on this matter early in September. In the meantime, some funds currently are available under Standard 11 of the Governor's Traffic Safety Proposal. The National Highway Traffic Safety Administration

each year awards a grant to the Governor's Highway Safety Bureau for it to disburse to various localities. Although funds will not be forthcoming until a Massachusetts Department of Public Health comprehensive plan of health needs is finished in a few months, immediate action could afford Mattapoisett a priority position on the "active" list. For further information and application forms, you can contact the Governor's Highway Safety Bureau, 146 Bowdoin Street, Boston, Massachusetts 02108.

"Question: Fireman and Policeman protection

"Answer: By now you should have received

LEGAL NOTICE — TOWN OF ROCHESTER — LEGAL NOTICE

TOWN OF ROCHESTER MASSACHUSETTS

BOARD OF HEALTH REGULATIONS
PUBLIC NOTICE

At a regular meeting held September 4, 1973, the Board of Health adopted the following regulations regarding subdivisions:

Supplement to Article XI Sanitary Code
Regarding Sub-Divisions

1. Requirements on Filing for Approval of Board of Health - In order that the Board of Health may properly evaluate the site conditions in its determination as to whether a proposed subdivision can be used for building sites without injury to the public health, the owner or developer of multiple lots or of a proposed subdivision shall submit to the Board of Health plans and technical data as required in Sections 4 - 8 of this Regulation.

2. Procedure for Review of Preliminary Plans of a Subdivision by the Board of Health - The Board of Health, or its designee, shall review preliminary plans submitted to it by any person. It shall make such inspections as are necessary to evaluate such plans properly. Within 45 days after submission of a preliminary plan the Board of Health shall tentatively approve such preliminary plan, with or without modifications suggested by it or agreed upon by the person submitting the plan, or shall disapprove such preliminary plan. In the case of disapproval it shall state its reasons therefor.

3. Procedure for Review of Definitive Plans of a Subdivision by the Board of Health - The Board of Health, or its designee, shall review such plans and make such inspections as are necessary and shall report to the Planning Board within 45 days after the definitive plans and other data are filed with the Board as required in Section 81-U of Chapter 41 of the General Laws and by this Regulation. The report shall indicate approval or disapproval of the plan, and in the event of disapproval, shall make specific findings as to which, if any, of the lots shown on such plan cannot be used for building sites without injury to the public Health, shall include such specific findings and the reasons therefor in such report, and, where possible, shall make recommendations for the adjustment thereof. Failure to so report shall be deemed approval by such Board.

When reporting to the Planning Board to indicate its findings, the report shall be in one of the following forms:

A. Approval of plan as submitted
B. Disapproval of the plan or any part thereof with such findings as are made by the Board of Health.
C. Disapproval of each lot on the plan for failure of the developer to provide sufficient information.

In regard to specific lots which are disapproved for building sites, the Board of Health shall make recommendations which, if followed, will provide for review of the disapproval and subsequent approval if the lots are then found suitable for building sites according to the requirements of this Article.

4. Plans and Technical Data - The owner or developer of a proposed subdivision shall submit to the Board of Health plans and technical data required under Sections 5-8 inclusive to this Regulation.

5. Plat - A plat of the subdivision, drawn to scale, properly dated and titled, containing the following information, shall be submitted by the owner or developer of a proposed subdivision.

a. Scale 1" equals 40' or less
b. Location key
c. Layout of the streets
d. Dimensions and area of each lot
e. Location of proposed storm drains and points of discharge of same
f. Drainage easements
g. Location of sources of private water supply
h. Location of percolation test pits and deep observation pits
i. Location of proposed sewage disposal facilities, with the elevation of the bottom of the leaching beds, trenches or leaching pits shown.

6. At Board of Health's discretion - Topographical Map

7. Profiles of Streets - A profile of the streets shall be submitted showing existing and proposed profiles, catch basins, manholes, and slopes and sizes of all storm drains and sanitary sewers.

8. Technical Data - The owner or developer of a proposed subdivision shall submit the results of percolation tests and logs of deep observation pits, performed in accordance with the provisions of Reg.14 of Article XI of the State Sanitary Code. The owner or developer shall, prior to the soil examination, stake out the lot boundaries so as to locate each individual lot shown on the subdivision plan. The number and location of percolation tests and deep observation pits required shall be one each per lot plus any others specified by the Board of Health or its designee.

9. Additional Data - The Board of Health, or its designee, may require the submission of any additional data that in its opinion is necessary to properly evaluate the subdivision from a public health standpoint.

(Adopted in accordance with Reg. 2 of Article I, Sanitary Code and under the authority of Section 31 of Chapter 111, General Laws.)

information on legislative proposals for fire and police protection from my office, though I would be glad to answer any further questions you have about possible Congressional action in this important area. Currently, the Law Enforcement Assistance Program makes available funding to local governments through the Massachusetts Committee on Law Enforcement and the Administration of Criminal Justice, 80 Boylston Street, Boston, Massachusetts 02116. However, under present laws assistance to fire fighters is limited to two areas: 1) investigation of arson or arson prevention, and 2) training in riot control.

"Question: What federal regulation prohibits cross overs to be used for emergency purposes?

"Answer: The Office of Engineering of the Federal Highway Administration says that the only federal regulation concerning U-turn median openings for authorized vehicles requires that they be carefully designed and not hazardous to on-coming vehicles. Indeed, the Federal Highway Traffic Safety Administration encourages these cross-overs for emergency medical vehicles. It was suggested by Washington officials that state, rather

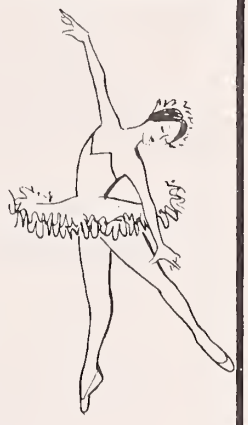
NANCYLEE S. GAUCHER
Announces Classes in
Ballet



CHILDREN'S - TEENS
ADULTS
Registration by phone,
Sept.10 thru Sept.14
10 AM - 4 PM. 763-4264
Classes will be held in
Marion and Mattapoisett.
Reopen Sept.18, 19, 20.
CLASSICAL BALLET
Technique and Performance
Beginners, Intermediates, Advanced
To properly teach children the intricate and beautiful movements of ballet, classes will be held at a maximum of 10 or 12 students. Mrs. Gaucher's background in the field of dance is extensive and covers all types of dance. She is well known in the area for her keen interest in young people of the community and hopes to project a common interest in a serious dance group that will eventually perform in and for the community.
Special Class for pre-schoolers and boys may be arranged.
BALLROOM DANCING taught to groups.

than federal, regulations may prohibit their construction. Thus, the town should request an emergency vehicle U-turn median opening from Mr. Daniel Horrigan, Chief Engineer, Massachusetts Department of Public Works, 100 Nashua Street, Boston, Massachusetts, at 223-2879.

"Question: Bicycle Paths?

"Answer: Funds are available from the Federal Highway Administration for the construction of bicycle paths, if such paths are part of a federal-aid highway project approved and submitted by the Massachusetts Department of Public Works. In the past, grants for construction have also been made under the Traffic Operations Program to increase Capacity and the Traffic Operations Program to increase Capacity and Safety, and general planning funds for bicycle paths are available through the Federal Highway Administration (FHWA). I am enclosing some booklets put out by FHWA. Note the 'Traffic Operations Program to Increase Capacity and Safety' section described on page 9 of the U. S. Department of Transportation pamphlet, 'Grant and Assistance Programs'. You might also contact the bicycle path expert with the U.S. Department of Transportation, Ms. Burnbaum, (202) 426-4361."

Girls' Softball Concludes

The Mattapoisett Girls' Softball Teams concluded their season with a picnic at Ned's Point on August 25th.

Trophies were awarded to the most valuable player and most improved player on each team and first place ribbons to the winning team.

The Blue Angels won all four games and were in first place. The Green Hornets won 2 and lost 2 and the Red Devils lost 4.

The girls on the Blue Angels team were:

The Hot Lunch Program for Senior Citizens is now in operation at Old Hammondtown School cafeteria on School Days. THE TIME HAS BEEN CHANGED TO 12 O'CLOCK NOON. Please note.

The Survey Questionnaire is ready for mailing. You are urged to please send it back, filled out, as soon as possible. The information asked for is important for the records. If you do not wish to fill it out, send it back anyway in the return stamped envelope.

Have you thought about going on the bus trip to the New England Aquarium?

Call telephone number 4307 from 2:00 to 4:00 P.M. Monday through Friday.

Y.W.C.A. Events

Mrs. Rita Leen, member and tour guide of the YWCA Travel Club, will be the speaker for the club's first fall meeting on Friday, September 21. A sound film in color will show the highlights of Mrs. Leen's trip to the Orient this summer.

Prospective Travel Club members are cordially invited to attend the lecture at 8 P.M. A business meeting is scheduled for 7:30 P.M. Refreshments will conclude the evening's program.

Mr. Leen announces that a full fall of trips has been arranged and the proposed schedule is available free at the main desk at the YWCA.

Reservations are being made now for a two-day Armistice Day trip to the Trapp Family Lodge, Stowe, Vermont, October 21-22. Foliage sightseeing will be at its height and Burlington Museum will be visited enroute home.

Call the YWCA at 999-6201 or Mrs. Leen at 993-8142 for complete details about this trip, and also for information about thespians for September 20 when the club visits

ing from group study and discussions.

Babysitting service is available and cost is shared among the mothers.

Newcomers to the Greater New Bedford area, retired women, and others are invited to the weekly meetings. A cordial invitation is extended to all women to come and hear about the needs of women and how they can be met.

Mrs. Grace Young, program director, will be pleased to answer any inquiries about the potluck supper and membership in the Study Group at 999-6201.

International gourmet cooking will be the subject of an 8-week course beginning Tuesday, October 13, with Mrs. Rita Leen, instructing. Featured in the lessons will be Chinese, Italian and French dishes. Also meat substitutes, fancy pastries, a variety of crepes and hors d'oeuvres will be included. Bouquet of salads and how to decorate and garnish salads will be taught. Flower arrangements and making food centerpieces are planned. Mrs. Leen holds a B.S. degree in home economics from Simmons College and has done graduate work at the Le Cordon Bleu French Cooking School in Paris. She teaches home economics at Roosevelt Junior High School. Registration should be made at once for this class as it will necessarily be limited in number due to the activity involved in food preparation. After class, members have the fun of eating

TOWN OF MATTAPOISETT, MASSACHUSETTS
MATTAPOISETT PLANNING BOARD
NOTICE OF PUBLIC HEARING

A Public Hearing will be held on Tuesday, October 2, 1973, at 8:00 P.M. in Room 203 of the Mattapoisett Town Hall concerning the application of Robert M. Sherman, Jason's Lane, Rochester, Mass., for a proposed subdivision of land located on the South side of Acushnet Road. Proposed subdivision to be known as "Crestfield". Complete plans of this subdivision are on file in the office of the Town Clerk and may be inspected by any interested party during normal business hours of the Clerk's office.

these attractive and unusual dishes they have created.

Dance lovers wishing to learn the new dances will be interested in the 10-week class of instruction in line dancing and beginning square dancing starting September 26. Ben and Catherine Higginson of the Romeo and Juliet Square Dance Club will conduct these classes on Wednesdays from 7 to 10 P.M. For more information and fee, call Mrs. Rita Grenon, program director, at the Y, 999-6201.

Diet Workshop sponsored by the YWCA presents a free Open House for new members and prospective members are welcome. Come and learn about the program on September 17 and 20, during the classes held regularly at the YWCA every Monday at 5:30 and 7:30 P.M. and Thursdays at 9:30 A.M.
